To clean the machine with 95% alcohol every two months.

TROUBLESHOOTING & MAINTENANCE

TROUBLES	ELIMINATION METHODS	MAINTENANCE
NO LCD indication	Check the power supply and the switch	Connect the power supply again and turn it ON
NO atomization	Check the power supply ; check the pump working or not; check the working status (working time or pause time)	Connect the power supply again to check the pump and set the program again
Small atomization amount	Check the atomizer if block or not; check the pump good or not	Clean the atomizer and change the pump
Comes out liquid oil from external atomization connector	Check if the atomization connector is loose or not Check if the machine is lean or not	Tighten the atomization connector and make the machine upright
Oil Leaking	Check if the oil bottle is loose or not; Check if the bottle seal is lost or not	Tighten the oil bottle and bottle seal

OPERATION FOR ADDING AND CHANGING THE OIL

For the first time to use the machine, please tighten the oil bottle before connecting power supply, Set the working time and adjust the aroma concentration.

If need to add or change the oil, please cut down the power supply .Then open the machine with the key ,rotate the empty oil anticlockwise to take out the bottle to put the oil in again and finally clockwise rotate the bottle and make sure it is tight. Then connect the power supply again.

WARRANTY

It is suitable for all the machines.

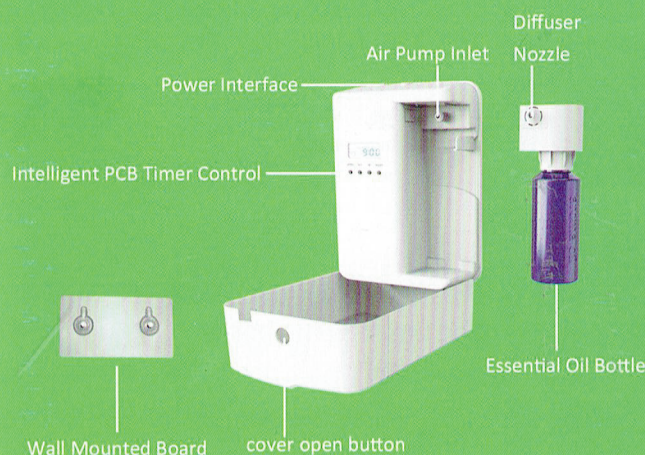

Within 12 months after purchase date, Warranty is offered for all qualified machines. During warranty, we will offer repair services and the free parts.

The warranty card & purchase Invoice are needed if after service required. Please do contact with us within warranty if any problems.

THE FOLLOWING IS NOT FOR FREE WARRANTY SERVICE

- Damage & problems caused by Accidents & Fire.
- Not use properly and wrong operation.
- If repaired by not professional person and make some parts damaged.
- Damaged during transportation.
- Without our warranty card,
- Without proper cleaning for a long time.
- Machines & Parts not from us.
- Machines not gotten from official channels.
- Send the machines back without permit from manufacturer.

EQUIPMENT COMPONENT INSTRUCTION
